## Your perfect Graduation Day souvenir - a DVD to treasure forever

**Graduation Day is a fitting climax to years of dedication and hard work. A day to savour, to remember with pride.**

Since 2001, Bath Spa University has arranged for its graduation ceremonies to be covered by 1st Take, a local company with vast experience in the filming of prestigious events. Each ceremony is professionally filmed from three camera positions, including a special close-up of each graduate, and the celebratory scenes that follow are also captured, with mortar boards in the air and champagne corks popping! This year's events are sure to be extra special, as ceremonies will be held in Bath Abbey for the fifth consecutive year.

Your DVD also includes an introduction to Bath Spa University, and is digitally edited to a very high standard, providing you with everlasting memories.
